

Becoming a member of NCFM

Thank you for your interest in the National Coalition for Men. We would like to welcome you to our growing family, and look forward to working with you for the well-being of men and those that love them. Joining NCFM makes you a member of the most successful and oldest men's rights organization in the United States, Canada, and Australia. For over 35 years NCFM has diligently worked for and in the best interests of men and the women that love them.

There are two ways to become a member:

1. **Membership form:** You can print out, complete, sign, include check or money order, and mail to the address shown on the bottom of the form. **The form is the last page of these guidelines.**
2. **Join Online:** We prefer using online payments via PayPal which are quick, easy, safe, and secure. Here's how:
 - a. Click on the "Donate" button on the right hand side of most pages on this website to pay by credit card.
 - b. Once you have entered an amount click on "Update Total" then select your method of payment. *(Please read everything on this page before doing that please.)*
 - c. You can either pay through PayPal or use Master Card, VISA, American Express, or Discover. However, **PayPal is our credit card processing company for all credit cards available for use.**
 - d. **VERY IMPORTANT:** If you select PayPal as your method of payment after entering an amount and clicking on "Update Total" you should see near the upper left hand corner of that landing page a section titled "Add special instructions..." **In that section please type:**
 - i. Whether you are a renewing or new member,
 - ii. If you are a new member please tell us why you are joining,
 - iii. What membership level you are choosing (*Benefactor, Protector, Guardian, Gatekeeper, Sustaining, or Supporting see Table below*)
 - iv. Your current mailing address,
 - v. Your current phone number,
 - vi. Any other relevant other information you may wish to include, and
 - vii. Whether you wish to remain anonymous. If so, then attributions as shown in the table under "Benefits" of memberships do not apply. If you do not specifically tell us in writing that you wish to be anonymous then the attributions in the membership and dues table do apply).
